PLEASE NOTE:

MFL Oral Examinations: Individual Timings will be notified under separate arrangements.

Contingency Days: For the Summer 2026 series, "contingency" exam day has been arranged by the examination awarding bodies which all pupils need to be aware of. This contingency day for GCSE and GCE examinations has been put in place "in the event of widespread, sustained, national or local disruption to examinations during the June 2026 examination series." The date that has been set as the contingency day is **Wednesday 24 June 2026**. This means all exam candidates **must be available to sit exams from the date of their first exam until Wednesday 24 June 2026**. This decision is not a school decision and does apply to all candidates in all schools. Please can all pupils/parents/carers make a note of the contingency exam dates in the event that an awarding body needs to invoke its contingency plan.
